

HOW MOPAR EVTS WORKS

Your vehicle is more than just another vehicle. It's your passion, your pride and your ride. Go the extra mile and protect it from theft loss with the Mopar Electronic Vehicle Tracking System, powered by Guidepoint, the leader in GPS-enabled stolen vehicle recovery systems.

Mopar EVTS gives you everything you need to get your vehicle back quickly and safely following a theft. Plus, with two optional plans to choose from, you can get the added protection you need for anything you might encounter on the open road.

ATTENTION VEHICLE OWNER
 In order for your EVTS to function properly you must call **1-877-477-3710** to **REGISTER** the device on our network and **ACTIVATE** your EVTS features. Please call within 72 hours of taking delivery of your vehicle.

EVTS

ELECTRONIC VEHICLE TRACKING SYSTEM

EVERY 30 SECONDS, A VEHICLE IS STOLEN.

No one ever plans on it, yet the statistics are staggering – more than a million vehicles are stolen each year! Aside from the hassles of the theft itself, a stolen vehicle can lead to big problems like high deductible bills, higher insurance premiums, and even identity theft!

Beat Thieves At Their Own Game

Luckily, there's Mopar EVTS, arguably the best add-on available for your ride. Powered by Guidepoint Systems, Mopar EVTS is the premier GPS-enabled stolen vehicle tracking and recovery system available today.

Mopar EVTS is loaded with all the critical features that ensure you'll get your vehicle back as fast as possible after a theft. Using superfast GPS vehicle location, our 24/7 Rapid Response Center Team tracks down your vehicle in just minutes. Then, we work with law enforcement to get your vehicle back to you as fast as possible, before any damage is done!

And, with our Silver or Gold plan add-ons, Mopar EVTS comes with all the theft recovery service you need, plus loads of extra benefits for every type of driver.

MOPAR ELECTRONIC VEHICLE TRACKING SYSTEM (EVTS) - BASE PLAN

Your Mopar EVTS System Base Plan comes packed with features that ensure you'll get your vehicle back as fast as possible after a theft, plus critical benefits to keep you covered on the road. Just look at everything you get:

GPS-Enabled Stolen Vehicle Locator

The EVTS Stolen Vehicle Locator is your secret weapon against thieves! When activated by our 24/7 Response Center, it beams a signal across our proprietary network, allowing us to identify the exact location of your stolen vehicle with pinpoint precision, anywhere across the United States, Canada or Mexico.

Built-in Battery Backup*

A reliable, built-in Battery Backup guarantees the safety and security features of your EVTS will continue to operate, – ensuring your vehicle is protected at all times.

** Requires Mopar EVTS Part Number: 82213761*

E-Call Services

When you're in danger on the road, one call from your cell phone to our Response Center is all it takes. Using your GPS coordinates, we'll send help straight to your vehicle.

\$1000 Theft Protection Guarantee

In the unlikely event we're unable to recover your vehicle after a theft, we'll pay you up to \$1,000.

Upgradeable and Transferrable

At any time, your Mopar EVTS system can be upgraded to our Silver or Gold plans. If you ever decide to sell your vehicle, you can transfer it to the new owner or install it on your next vehicle – the choice is yours.

Optional Service Plans

Mopar EVTS – SILVER

Our Silver Plan gives you everything that's in the base system, plus a full suite of services for even faster stolen vehicle recovery and on-the-road protection:

Security Fence & Theft Notification

This feature protects your vehicle by establishing an electronic boundary whenever your keys are removed from the ignition. If the vehicle moves while the security fence is set, our Response Center is automatically notified and we'll start the recovery process right away.

Online Vehicle Tracking & Trace Maps

When your vehicle is being used by someone else, you might want to know just where it's going. The Online Vehicle Tracking feature lets you track your vehicle's precise location and travel speed at any time

through our online interface, up to 200 times per year.

Excessive Speed & Arrival/Departure Alerts

Receive electronic alerts via text or email to inform you of how your vehicle is being used when it's out of your hands. Set excessive speed notifications and arrival and departure alerts for specific locations.

OnCall Service

OnCall acts like a panic button inside your vehicle. If you have an accident or other emergency, get help with the push of a button. OnCall instantly alerts the Response Center, and a specialist will work to rush you all the help you need.

Additional Silver Upgrade is available. Ask your dealer for details.

MOPAR EVTS – GOLD

When only the best will do, choose our Gold plan and get everything included in the Silver plan plus all this:

Unlimited Online Vehicle Locates

Never wonder how your vehicle's being used again! With Unlimited Online Vehicle Locates, you can get critical information about your vehicle's speed and location any time, with absolutely no limit!

24/7 Monitored Smash & Grab Impact Protection*

Notification of impact glass breakage during 'Smash & Grab' theft activity, shopping cart impacts, door dings, or any other high-impact vandalism damage to the exterior of your vehicle.

** Requires Mopar EVTS Part Number: 82213761*

Personal Concierge Service

Use our Personal Concierge Services to find the nearest restaurants, book reservations, get turn-by-turn directions and so much more, – all FREE as an EVTS GOLD PLAN Member.

Personal Safety And Security In The Palm Of Your Hand.

Available on both **Silver** and **Gold** Plans, download the Mopar EVTS Smartphone App and keep your plan's features with you wherever you go. Find out your vehicle's exact location. Track its speed. Know where it's been. Plus, get a whole new level of control over your vehicle, including, speed and geographic boundary alerts, personal concierge services and so much more – all from your Smartphone. Available for: iPhone, Android and Blackberry Smart Phones.
